

## Jesus Walking With Us

By A. D. Y6CC

Frustrated, confused or excited, Jesus is there beside us,  
If light or dark, Jesus is there beside us,  
No matter if sunny or rainy, Jesus is there beside us,  
Jesus' love is in the air, filling us with faithfulness.

Jesus is there beside us, even though we can't see Him,  
Jesus is there beside us, even though we can't feel Him,  
Jesus is there beside us, even though we can't hear Him,  
Jesus' love is in the air, filling us with faithfulness.

When we are making memories with friends and family, Jesus is there  
beside us,

When we have happy moments, Jesus is there beside us,  
When we are experiencing sad moments, Jesus is there beside us,  
Jesus' love is in the air, filling us with faithfulness.

Jesus is there beside us, even though we can't see Him,  
Jesus is there beside us, even though we can't feel Him,  
Jesus is there beside us, even though we can't hear Him,  
Jesus' love is in the air, filling us with faithfulness.
