

Jesus Walking With Us

By B. F. Y6CC

He walks with us always,
Through the rough and confusing,
Through the happy and exciting,
Through the sad and soothing.
Even through challenging moments,
And sorrowful ones too,
He is there with you.

He is always by our side,
Everywhere we go,
He will never leave us,
Because he loves you so.

Jesus will be with you,
Whoever you may be,
You do not have to be scared,
Nor sad,
Nor alone,
Because Jesus is with you and me.

Through the darkness,
He is the light.
Through the sadness,
He is the joy,
That guides us through the night.
