

# Jesus Walking With Us

By E. C. Y6CC

Jesus is with us,

On every journey, anywhere,

Lighting our hearts,

His love in the air.

Through days of sorrow and suffering,

Through days of love and light,

Jesus still walks with us,

His presence ever bright.

Through happiness and sadness,

Through good days and bad,

With us when we're happy,

There when we're sad.

We can't always tell,

That Jesus is here,

To comfort every sorrow,

To wipe away each tear.

Through days of sun,

Through days of rain,

Through days when he forgives us,

Again and again.

Jesus is with us,

On every journey, anywhere,

Lighting our hearts,

His love in the air.
