

Jesus Walking With Us

By W. R. Y6CC

Jesus is always there, through good days and bad,
And always finds time to make us happy,
Even when we're sad.

Although we cannot see Him,
We know he is always there,
His love embraces us,
Omnipresent in the air.

Through every journey, either hard or easy,
His love will be shown,
And because He cares about us,
He will never leave us on our own.

Throughout days of suffering,
And sadness, selfishness or bad attitude,
Jesus will never stop loving us,
No matter what happens.

Just like the journey to Emmaus,
We might not recognise Jesus,
But Jesus is everywhere,
In every one of us...
Everyday.
